The image shows the interior of a 2004 Embraer Legacy 600 private jet. The cabin is spacious with two large, cream-colored leather seats facing each other. The seats have dark grey accents and seatbelts. The floor is covered in a dark, patterned carpet. The walls are a light cream color with dark grey trim. There are several oval-shaped windows along the sides. A small television screen is mounted on the wall between the seats, displaying a map. Above the seats, there are air vents and storage compartments. A red "EXIT" sign is visible on the wall towards the rear of the cabin. The overall atmosphere is clean, modern, and comfortable.

2004 Embraer **Legacy 600**

The image shows the interior of a 2004 Embraer Legacy 600 aircraft lavatory. The space is compact and modern, featuring dark wood-grain paneling on the walls and cabinetry. A white, curved vanity with a chrome faucet and a mirror above it is on the left. Below the mirror are two small rectangular outlets. To the right of the vanity is a white toilet. A small white box, likely for tissues or soap, sits on the vanity. In the foreground, a potted orchid with orange and yellow flowers sits on the vanity. The lighting is soft and even, highlighting the clean and well-maintained interior.
