A wide-angle photograph of the interior of a 2004 Embraer Legacy 600 private jet. The cabin features two rows of cream-colored leather seats with dark grey accents and seatbelts. The walls are a light cream color with dark grey paneling around the windows and doors. A small screen is mounted on the wall between the seats, displaying a map. The floor is covered in a dark grey carpet. The ceiling has circular air vents and recessed lighting. An 'EXIT' sign is visible above the door at the end of the cabin.
